**Searchable Database of Eucharistic Adoration Chapels
is now available for California.**

Encino, CA, June 1, 2007 - AdoreHim.org unveils a searchable database of Eucharistic Adoration Chapels in California. This database offers travelers a way to find an adoration chapel near their destination. It also provides Catholics with a way to find an adoration chapel near their home when they are in need of time with our Lord.

Scott Clark, founder of AdoreHim.org, said, "One of the most important teachings of the Catholic Church is that Christ is present in the Eucharist. It is a belief shared by all Catholics and one that provides us with the ability to physically spend time with Jesus Christ. AdoreHim.org makes that type of communion available at the click of a button."

You are invited to visit <http://www.adorehim.org> and search by city, zip code or church name. In most cases you will be provided with a number of results matching your query. AdoreHim.org allows you to submit a chapel that is missing from the database as well as a request an update to an existing record.

It is the goal of AdoreHim.org to become a nationwide resource. But before we venture into other States, we want to make the California database as accurate as possible. If you think you might be interested in helping, please visit the web site and click the Volunteer link.
